

Get on board the **Gaza Freedom Flotilla** in **Chicago!**

From July 18-20, 2019, **Voices for Creative Nonviolence** will join with the Freedom Flotilla Coalition's **US Boats to Gaza** campaign, supporting their **North American Freedom Flotilla for Gaza** project with three days of Chicago actions to include a Saturday July 20th mini-flotilla of kayaks and other craft on the **Chicago River**, joining shore-based protesters to urge freedom for the people of Gaza (starting 11am from the Lake Street Bridge, NE corner)! Two nights prior on Thursday July 18th, we'll host four-time flotilla veteran (Ret.) Col. **Ann Wright** and Gazan scholar/activist **Jehad Abusalim** for a 7pm speaking event at Chicago's Grace Episcopal Church (637 S. Dearborn), and on Friday (7/19) we'll have gathered at 11:30am outside the **Israeli Consulate** (500 W. Madison) and proceed to warmaker **Boeing's** corporate HQ (100 N. Riverside Plaza) for a noon rally. Then on Saturday 7/20, the flotilla!

Since 2008, the flotilla movement has sent 35 ships to **break the siege of Gaza** and highlight the brutal violation of international law and of Gazan human rights that is Israel's lethal U.S.-backed **Gaza blockade**. Voices members have joined past flotilla actions seeking to free Gazans from a crushing economic siege and from **airstrikes, arrests, torture**, and the myriad **human rights violations** inherent in apartheid. It is time to give Gazans desperately needed access to food, fuel, medicine, employment, and basic human dignity. The next international sailing is in **2020**, but this summer our message is for the people of the **United States**. Join us!
