We at Free Gaza are joining Freedom Flotilla Coalition's [US Boats to Gaza campaign](#) to support its **North American Freedom Flotilla for Gaza project**. We'll sail to Catalina on board the Catalina Flyer, demonstrate on the beach in Avalon, and have an opportunity to talk to people who have already been on some of these boats.

Bring your kuffiyehs and Palestinian flags, bring your children for a day at the beach and wear your T-shirts in support of Palestine.

Since 2010, the coalition has sailed over a dozen international flotillas to Gaza to highlight Israel's brutal blockade, a violation of international law. Many of us have joined past flotilla actions seeking to free the people of Gaza from a crushing economic blockade as well as airstrikes, arrests, torture, and myriad human rights violations.

It's time to give the Palestinians of Gaza desperately needed access to food, fuel, medicine, employment, and basic human rights.

The next sailing is 2020. This summer our message is for the people of the United States. **Join us on the ferry and on Avalon beach !**
